What's My Ring Size?

If you don't know your ring size these instructions should help you.

Cut a piece of paper, wrap it around your finger and mark where the paper meets with a pen. Measure the length of the paper with a ruler from end to pen mark. The chart below converts the length of paper into ring sizes.

Ring Size	Paper Length in Inches
4	1 13/16
5	1 15/16
6	2 1/16
7	2 1/8
8	2 1/4
9	2 5/16
10	2 7/16
11	2 9/16
12	2 5/8
13	2 3/4
14	2 7/8

What Length Chain Would I Like for My Necklace?

Take a piece of string or measuring tape and wrap it around your neck. Try lengths of 16", 18", 20", 24" and 30" and imagine how a pendant will look suspended from the various length option. Mark where ends of string or tape meet. Measure the string with a ruler or measuring tape of your desired length and this will give you the length of your chain.
